Hi KC,

Kym would support this legislation because of the obvious staffing issues it would alleviate for us. We do not have an adequate number of APA's to cover out-county courts, so covering one court rather than two would be a help.

Bob Constan has asked PAAM to support this. The bill allows consolidation and merger of the 20th and 21st district courts.

I don't believe we would weigh in on a policy specific to an individual county, but wanted to check with you to see if Kym had a position.
